WARRANTY

The installer provides a 5-year warranty for the installation. The warranty period starts from the date of the invoice issued for the installation. It is valid only if the film is installed on original factory paintwork. The warranty is non-transferable and applies solely to the original customer.

The warranty covers surface cracks, bubbling, adhesive failure, and delamination. In the event of issues caused by material defects, C-Coat undertakes to replace the material, while the installer is responsible for the cost of replacing the film. The value of any claim shall not exceed the gross purchase price listed on the product sales invoice.

The warranty does not cover damage resulting from improper use, accidents, or the product's natural wear and tear, nor does it apply to dents caused by stones or road debris.

Before applying the film to headlights, always verify the local legal regulations, as they may differ by region. C-Coat does not provide a warranty for C-Coat PPF Gloss material installed on headlights and assumes no liability for any related fines.

The paint protection film can be purchased from official C-Coat distributors. Always contact the relevant C-Coat representatives for information regarding roll sizes, minimum order quantities, pricing, and other business terms.

Except where prohibited by law, C-Coat shall not be liable for any direct, indirect, special, or incidental loss or damage related to the C-Coat product, regardless of the basis of liability, whether legal, statutory (including warranty or contract), negligence, or strict liability.
