

A dark blue Volvo Valour car is shown from a high-angle, rear-quarter perspective. The car's roof and side panels are wrapped in a vibrant, multi-colored PPF (Paint Protection Film) that features a rainbow gradient. The text "Skyfol PPF Wrap" is overlaid in large, white, stylized letters with a pink and blue outline. The car is parked on a dark, reflective surface, and the background is a deep blue with vertical light streaks.

Skyfol PPF Wrap

A katalógusban szereplő képek professzionális digitális illusztrációk, amelyek célja a színek élethű szemléltetése a járműveken. Bár törekszünk a lehető legpontosabb megjelenítésre, az árnyalatok a fényviszonyok és a kijelzők beállításai miatt minimálisan eltérhetnek a valóságtól.
